Be Still and Know that I am God

"You've gotta
dance like there's nobody watching,
love like you'll never be hurt,
sing like there's nobody listening,
And **live** like it's heaven on earth."

- William W. Purkey

Everybody can sing: and 'pub/park' choir is here to prove it!

"When we engage in the arts, we dip into our souls to discover deep pools of wonder, breath-taking beauty and quiet revelation. As we create, we are invited into playfulness, poignancy and surprise—energies that revitalise our sense of purpose."
