

Every 21 September is Peace Day

It's a day to lay down our weapons in every conflict, from full-on wars to personal spats, and to promote the ideals of peace and love, justice and harmony.

To honour International Peace Day, the House of Prayer is hosting a **LET'S TALK EVENING.**

Topic: To foster safe and connected communities, is self determination the way forward for marginalised young people?

Our guest speaker will share their experience of working with community agencies and marginalised youth.

The format for the evening will follow the World Cafe style of conversation
With Drinks, Nibbles and Dessert provided.

*As human beings,
our greatness lies
not so much
in being able to
remake the world
as in being able to
remake ourselves.*

Mahatma Gandhi

"We who work for peace must not falter. We must continue to pray for peace and to act for peace in whatever way we can, we must continue to speak for peace and to live the way of peace; to inspire others, we must continue to think of peace and to know that peace is possible."
